Dear Christian,

Thank you for the continued efforts of your organization to commemorate and remember the sacrifices of the American soldiers in Luxembourg during World War II. Having attended the 2014 Night Vigil ceremony at Putscheid, I was particularly pleased to learn that the 2015 event is being planned for Berdorf, a key town where elements of the 10th Armored Division fought during the Battle of the Bulge.

After review by our Executive Committee, the 10th Armored Division Veterans Western Chapter hereby extends our full endorsement and support to the Berdorf Night Vigil. We will promote the event on our website, in our next newsletter, and through a mass E-mail to our membership. If there is anything specific that the Chapter can do to assist with the planning, please let me know.

Events such as the Night Vigil are very meaningful to our veterans and their families. Thank you again for helping to keep the memories of 1944 – 1945 alive.

Sincerely,

Howard S. Liddic
President
